When you exit the ship, you need to walk past the souvenir shopping area towards large exit gates and the city. Depending on the location of your ship, your ship may dock right next to souvenir shopping or you may need to walk about 200-300 meters (220-330 yards) to reach the souvenir shopping area.

Port gates from outside

Please note that there are four buses inside cruise port area but these are operated by cruise ship agents. Independent tour operators have no authorization to enter this secured area in Tallinn.
